

SENIOR PROJECT COORDINATOR ONLINE GRADUATE COURSE

Go to www.seniorproject.net for more
information on registration and start date

The Senior Project® Center, in conjunction with Jonah-Kater, DLD and Fresno Pacific University (a private, Mennonite school), offers a new course for Senior Project Coordinators beginning Summer 2009.

Great Senior Project high schools must have skilled Senior Project Coordinators with accomplished managerial, technology, information gathering, and benchmarking skills. This fully accredited, introductory class is designed to instruct you in these skills, which paves the way to an official certification as a Senior Project Coordinator.

- **3 Grad Credits**
- **\$399 Tuition**
+\$25 (if hard copy of materials ordered on CD)
- **Take up to one year to complete the course**
- **Facilitated via Moodle**

Learning Objectives:

- **Clearly define project objectives and be able to organize the right people and resources around them**
- **Plan the project organization, identifying necessary tasks**
- **Manage all tasks and their execution**
- **Evaluate all aspects of Senior Project process**
- **Utilize new technologies and educational resources in Second Life®**
- **Function, navigate, and create new aspects of teaching and demonstration in Second Life®**
- **Reflect on course experiences through journaling**
- **Gather information via visitation and research**
